Mr. John W. Coffey  
Deputy Director  
Central Intelligence Agency  
Washington, DC 20505

Dear Mr. Coffey:

This is in reference to your letter of July 8, 1971, submitting GSA Form 1334 requesting transfer of a portion of the land declared excess by the Federal Highway Administration at the Fairbank Research Station, McLean, Virginia.

Accordingly, pursuant to the Federal Property and Administrative Services Act of 1949, 63 Stat. 377, as amended, and acting under the authority delegated to me, I hereby transfer 43.776 acres of land, more or less, located at the above-mentioned site to the Central Intelligence Agency without reimbursement.

A metes and bounds description and a survey plat depicting the transferred property will follow. The access roadway from Virginia State Route 193 traverses the land recently transferred to the National Park Service. However, this roadway is to remain open for Federal employees at the Fairbank Research Station and the CIA as well as for use by the public to the planned park facility.

Mr. E. H. Swick, Executive Director, Federal Highway Administration, Nassif Building, Washington, DC 20591, will act for the Department of Transportation in arranging for the transfer of custody and accountability of the property and other matters related to the transfer.

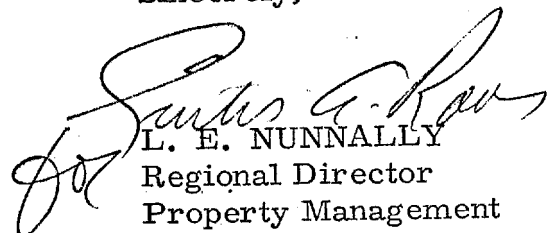

A copy of our letter of even dated to the Department of Transportation is enclosed for your information. It is requested that you acknowledge receipt of this communication in the space provided on
